**FIRE HAZARD!** Read and follow all manufacturer's charging and handling instructions. Never allow children under 14 years old to charge batteries. LiPo Batteries pose a severe risk of fire if not properly handled and charged per the instructions. Never allow children under 14 years old to charge batteries without the supervision of a responsible, knowledgeable adult.

- While charging, always place the battery in a fire retardant/fire proof container and on a non-flammable surface such as concrete.
- ALWAYS charge batteries in a well-ventilated area.
- REMOVE flammable items and combustible materials from the charging area.
- Use ONLY a Traxxas iD equipped LiPo charger with this battery. DO NOT charge with a NiMH only charger.
